Commissioner For Patents
Attn Dennis Ruhl, Primary Examiner
P.O. Box 1450
Alexandria, VA 22313

Ref: Application No. 10/759,834, reply to office action,
Extension of time request.

Mr. Ruhl:

First, I would like to thank you for providing copies
of all references used in the office action dated
Sept. 10th, 2007.

Second, as you can see by my return mailing address
I am in State prison. I am currently being transferred
to another institution and the address I've listed will
be invalid. As soon as I am relocated I will
advise, in writing, the USPTO.

Third, I request an extension of time to reply to
the issues you have raised about my claims and
prior art. I request the maximum amount of time
available under 37 CFR 1.136(a). If the extension is not
fixed, I request 24 months to amend and clarify my
claims made in the above cited application. As I
understand the rule I am only allowed 6 months,
at most, to reply. However, if I am wrong I
request 24 months to amend and clarify.
